

RICH WITH COVERAGE OPTIONS

Travelers Home Platinum Plus Insurance

Travelers provides coverages and policy limits above and beyond standard industry insurance policies. These broader, more expansive coverages and features are crafted to respond to your special requirements and include:

- **Additional replacement cost coverage** that will allow you to rebuild your home and other property structures – and replace your personal possessions – up to an additional 100 percent of Coverage A limits.
- In the case of a total loss, **the option to choose a cash settlement** up to the limit of your policy rather than rebuild. You decide.
- **A higher limit of coverage of accommodations and other increased expenses** (like meals and laundry) if you are temporarily displaced from your home.

- **Coverage for costs incurred due to changes in building codes** should you need to repair or replace your home.
- **Automatic inclusion of personal injury protection**, providing you with coverage for lawsuits arising from false arrest, libel, slander, wrongful entry or eviction, defamation of character or invasion of privacy.
- **Higher limits for valuable items** such as jewelry, furs and watercraft.
- **Special coverages** which are automatically included in your policy, such as electronic data restoration and identity fraud protection.
- **A wide range of higher deductibles** up to \$50,000 that can provide you with an option to reduce your annual premium.

Complimentary custom appraisal

To help ensure you have the most appropriate insurance coverage, a free appraisal of your home is provided by an experienced appraiser employing sophisticated valuation methods. In the event of a claim, the appraisal provides detailed information about your home and its value, helping to expedite the claim process.
